# STAR WARS READS III

at the Woodcrest Library

IV annual

## ROBOT EXPO

Saturday,  
October 11, 2014  
10:00 a.m.-4:00 p.m.

- Terminator robots, R2D2, robot monsters, singing Robot Betty IX

- DevoBot the robotic Devo tribute band

- Demonstrations include: Sumobot competitions, line following robot, artificial intelligence, a humanoid robotic arm, robot vision, 3D printers and more!

This is the largest robot event held in Southern California each year, featuring demonstrations which include artificial intelligence, robot vision, speech recognition, a matter replicator (3D printer) and more. Come see the "FIRST" Robotics competition.

Come in costume and join Star Wars characters in movie-quality costumes for photo opportunities.
