Creating Global Citizens

¿Qué estamos haciendo en artes de lenguaje en español?

En artes de lenguaje comenzamos a leer *Esperanza renace* un cuento que tomo lugar en 1930 durante la depresión. Es de una familia que migra a los EE.UU. En la gramática continuaremos aprendiendo sobre las reglas de los acentos. En la escritura continuaremos escribiendo un ensayo de un narrativo personal.

What are we doing in Spanish Language Arts?

In Spanish Language Arts we started reading *Esperanza Renace* a story that takes place in the 1930's depression era. It is about a family that has to migrate to the US. In grammar we will continue to learn about the accent rules. For writing, we will continue to focus on a Personal Narrative Essay.

What are we doing in English Language Arts?

In English Language Arts, began reading the novel *Hatchet*, which talks about a thirteen-year-old boy who is traveling to Canada to spend the summer with his dad. The plane crashes in the Canadian wilderness and Brian needs to find a way to survive. We will continue to focus on the various aspects of literature and literary devices (metaphors, similes, hyperbole, etc.). In grammar we will continue to focus on learning roots, suffixes, prefixes and their meaning.

¿Qué estamos haciendo en artes de lenguaje de inglés?

En artes de lenguaje en ingles comenzamos a leer el libro "Hatchet," que habla sobre un niño de 13 años que está viajando a Canadá para visitar a su padre por el verano. El avión choca en la naturaleza

in the month of October, students will be learning about place value and decimal fractions. Within this concept, we will be adding, subtracting, multiplying and dividing decimals.

Matemáticas:

En el mes de octubre, los estudiantes aprenderán sobre el valor posicional y fracciones decimales. Dentro este concepto, vamos aprender como sumar, restar, multiplicar y dividir decimales.

Science:

In the month of October, we will continue to focus on Physical Science. We will explore the properties of matter and its interactions. Within these concepts, students will study the atom and the periodic table. We will continue with motion and stability.

Ciencias:

En el mes de octubre, vamos a seguir centrándose en Ciencias Físicas. Vamos a explorar las propiedades de la materia y sus interacciones. Dentro de estos conceptos, los

What are we doing in Social Studies?

In Social Studies, we will continue to work on learning the 50 states and their capitals. We will begin presentations for the Native American Tribe project on October 7th. We will begin to learn about the first encounters between the European explorers and Native Americans.

¿Qué estamos haciendo en estudios sociales?

En estudios sociales continuaremos aprendiendo los 50 estados y sus capitales. Comenzaremos las presentaciones del proyecto de la tribus americanas el 7 de octubre. Comenzaremos aprender sobre los primeros encuentros entre los exploradores europeos y los nativos americanos.
