¿Qué estamos haciendo en artes de lenguaje en español?

En artes de lenguaje estaremos leyendo autobiografías. Vamos a continuar centrándonos en el emplazamiento de evidencia del texto. En la gramática estaremos practicando sustantivos colectivos y sufijos. En la escritura estaremos escribiendo ensayos de opinión.

What are we doing in Spanish Language Arts?

In Spanish Language Arts we will be reading autobiographies. We will continue to focus on citing evidence from the text. In grammar, we will be practicing collective nouns and suffixes. For writing, we will continue to focus on writing opinion essays.

What are we doing in English Language Arts?

In English Language Arts, we will continue reading the novel A Wrinkle In Time. We will focus on the different aspects of literature, including citing evidence from the text to compare and contrast character traits. Students will also be making inferences based on evidence from the text. In writing, students will continue to write opinion essays.

¿Qué estamos haciendo en artes de lenguaje de inglés?

En artes de lenguaje en inglés, continuaremos leyendo el libro A Wrinkle In Time. Nuestro enfoque será aprender los diferentes aspectos de las formas literarias, incluyendo encontrar evidencia del libro para comparar y contrastar los personajes. Los estudiantes también estarán infiriendo ideas usando evidencia del texto. En escritura, estarán escribiendo ensayos de opinión.

Math:

This month, students will find equivalent fractions, add and subtract fractions, and multiply fractions.

Matemáticas:

Este mes, los estudiantes aprenderán fracciones equivalentes, sumar y restar fracciones, y multiplicar fracciones.

What are we doing in Social Studies?

In social studies we will be learning about the original colonies and colonization during the age of European exploration.

¿Qué estamos haciendo en estudios sociales?

En estudios sociales estaremos aprendiendo sobre la colonización del nuevo mundo durante la época de exploración.

Science:

This month we will focus on the Scientific Method. Students will participate in the science fair and display their Science Projects March 8th.

Ciencias:

Este mes, nos centraremos en el método Científico. Los estudiantes presentarán su proyecto de ciencia el 8 de marzo.

Homework:

Please make sure your child is reading every night. They are to fill out their daily reading log. Please initial every night. They will also continue to have a math handout every night. Please make sure they are trying their personal best to complete the math. Encourage your child to utilize on line programs such as IXL MATH, and Renaissance Learning.

Tarea:

Por favor, asegúrese de que su hijo/a está leyendo cada noche. Deben llenar su registro de lectura diaria . Por favor de escriba sus iniciales cada noche . También seguirán teniendo tarea de matemáticas todas las .noches . Por favor, asegúrese de que su hijo/a está haciendo su mejor marca personal para completar la tarea.
