Creating Global Citizens

A Note from Mrs. Preciado, Interim Principal

Welcome back from Spring break! I hope you all had a great time with your families and ready to finish the year with our best! Students in all grade levels are reaping the results of their hard work. In May, students in grades 3rd and up will take the SBAC (Smarter Balanced Assessments) also known as California Assessment Student Performance and Progress (CAASPP). NSLA's testing window starts May 1st and ends May 26th, but each grade level will have specific times and dates. Parents can gather more information by visiting the CDE website and/or viewing the videos posted on our website under the Common Core tab on the left hand side of our page. Parents can help their Rockets by motivating them, and ensuring they go to bed early and eat breakfast.

CAASPP Testing Schedule

5/1-5/5: 4th Grade/3rd Grade Zavala, Ramos

5/8-5/11: 3rd Grade Aviles, Manes

5/5-5/11: 5th Grade

5/15-5/18: 6th & 7th Grades

5/15 – 5/19: 8th Grade

Please make sure students are at school and on time during testing days!
