

NORTON SCIENCE AND LANGUAGE ACADEMY

1st Grade

APRIL 2017

Monthly Project:

This month your child is to create a poster (no greater than 12 X 12 in size as they are difficult to display in the classroom) of the solar system. Be creative! Students must write 3-5 sentences describing the solar system.

Students must be ready to present their projects in **Spanish**.

*Optional: Students may use technology (PowerPoint, etc.) to present their project.

Due Date: Thursday, April 6th, 2017

Please make sure that your child is reading the weekly reader daily and bringing it to school on the days specified by your child's teacher.

Homework is due every Thursday

Practice math on IXL and reading in Spanish on the Benchmark Adelante website.

We will be learning about: Language Arts (Spanish)

Reading: We will continue our Unit 8: "Observing The Sky" from our Benchmark Adelante curriculum. The students will read and compare fiction and non-fiction texts about the sky.

Writing: We will continue practicing the narrative writing genre. The students will write about a personal experience in a special place they have visited in a 5-sentence paragraph.

Math: The students will be developing concepts such as positional value, comparing numbers, and addition and subtraction to 40. We will continue working on Module 4 from our math curriculum: Engage NY.

Science: We will continue learning about the Sun, the Moon, the stars, and how patterns in the sky affect our days, nights, and seasons.

CHARACTER TRAIT: TRUSTWORTHINESS

Important Reminders:

- **4/3: Welcome back NSLA students and staff**
- **4/13: NSLA Open House at 5:00 pm**
- **4/7- 4/14: NSLA Book Fair at the library.**
- **4/21: Rocket Races**
- **4/22: Earth Day**
